- Living Connected in the Media

Drop-in Sessions at iAccelerate

Living Connected is now providing computer help every Tuesday and Thursday mornings, 9:30-11:30. The Drop-in sessions are held at iAccelerate on the Innovation Campus in Wollongong on the free Green Bus Route. Seniors wanting help can bring in their digital devices for advice and solutions to problems. As demand increases, new times will be made available.

Workshops for Volunteers

Workshops were held in June and July to train volunteer helpers to assist the professional Living Connected Team.

Grant from the Vita Foundation

Presentation of a cheque on July 13, 2017 on the roof of iAccelerate, Innovation Campus, University of Wollongong.

L to R: Helen Hasan (Living Connected); Cody Norman (Area Manager- Illawarra Vita Group Telstra Stores); Colleen Barker (NBN Co-Ordinator NSW/ACT Vita Group Telstra Stores & Business Centres); Mitchell Hayes (Store Manager- Wollongong Telstra Store); Corina Ionescu (Living Connected).

Living Connected in the Media

Helen has been interviewed on ABC Illawarra morning radio and on VOX Illawarra community radio.
