Well done MARK321 Students!

Our May 11 PR event was a huge success. A big thank you for all the work put in by UOW PR students and their lecturer Dr Sue Slowikowski. We have new partners which we are now following up. The Students arranged interviews on WIN TV, i98 radio and for an article in the Illawarra Mercury.

Great turnout on May 11

We won't name anyone for fear that we will forget someone, but these images of the May 11 event show great support from local politicians, together with representative from WCC, Warrigal, IRT, MCCI, Anglicare and others. Here they are mixing with students and members of the Living Connected team and volunteers. Thanks to Awards Plus for the Certificates.

Our volunteers recognised
