In the week of October 15-19 we will be holding special sessions at our iAccelerate, Unanderra and Woonona-Bullli RSL Dropin sites as well as at St Georges Basin and Sarah Claydon Milton on the topic: "Having your say on Social Media" For those who have never posted on social media before we will show how to post something on the Living Connected twitter feed, Facebook page or the blog on the website. They can take a selfie and add it to their posts or even create their own twitter accounts if they want.
