

# Home Visits

**Need help using your computers, laptops, tablets, smartphone but can't get to one of our Drop-in sessions?**

Ring, text or email to book a home visit from one of Living Connected's team of approved and trained mentors who will provide a personalised, integrated and continuing service to assist with the use of a computer, tablet, phone and home IT setup. We focus on what you want to do, not on the technology.

**More Information and bookings**
