**Monday 19 October
@ 2pm, Unanderra
Community Centre**

Living Connected is running help sessions for seniors throughout the Illawarra and Shoalhaven across Get Online Week this October. Getting digitally literate is now more important than ever for seniors - and we're here to help.

Every week, we offer help online with one-on-one mentoring in Zoom breakout rooms. At this event, we'll also show you how to join these sessions!
